Online Evaluation

In the coming days, you will receive an invitation by e-mail to complete an online evaluation of the Summer Institute. Thank you for taking a few minutes to respond to this questionnaire. Your responses are very important to us, as they will help us to plan next year's event.

Looking towards the 2010 Summer Institute

Next year, the National Collaborating Centre for Infectious Diseases will host the Summer Institute. Look for news of next year's event during the coming months.

Thank you again; we hope to see you next year.
