Summer Institute 2009 e-News June 26, 2009

Dear Participant,

The Summer Institute is just a few days away and we would like to pass on two important reminders before the event.

Shuttle Buses—last chance to book your ticket

A shuttle bus service has been organized to take participants between the Château Mont-Sainte-Anne and the airport or train station, and to avoid long, costly taxi rides. Shuttles will also be available for the free evening, July 8th. It is necessary to reserve a seat and purchase a ticket before the end of June if you wish to use the shuttles. The cost for unlimited shuttle use is \$60 plus taxes. You may find complete details and a schedule on the Summer Institute website, or by [clicking here: Ground Transportation](#).

The CAPTURE Project session

A new session has been added to the program, for Monday July 6th. The CAPTURE Project session will be held from 5:30 to 8:30 p.m. on Monday. Dinner will be provided and the session is free to participants, but you must register for this session by June 30. [For details on the session or to register, click here](#).

We are looking forward to seeing you in Mont-Sainte-Anne.
