Mark your Calendar for the 2009 NCCPH Summer Institute

Dear friends and colleagues from across Canada and abroad,

The National Collaborating Centres for Public Health (NCCPH) are pleased to announce that the 2009 Summer Institute will be held from July 7-9, 2009 at the Château Mont-Sainte-Anne, Quebec.

The theme for this fourth annual Summer Institute is *Knowledge for a change*. In keeping with this theme, the event will focus on collaboration, networking and evaluation to ensure that the best available knowledge is shared and used to achieve better public health.

A preliminary program and online registration will be available in March. To learn more about the event, or to [subscribe to this bulletin](#), please visit the [2009 Summer Institute website](#).
